

# THE FLOORING SOLUTION FOR YOUR **FITNESS FACILITIES** POOLS

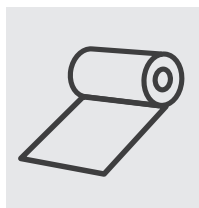

## OUR FLOOR FOR **POOLS**

Pool areas need to be safe:

**Pool areas need to be safe, attractive, and barefoot-friendly. That is where our specially formulated REGUPOL everroll savanna range fits in. Designed for use in both indoor and outdoor pool areas. REGUPOL everroll savanna suits competition, public and exercise pool areas well.**

Withstanding the vigorous aquatic pool environment with its almost granite reminiscence. You can extend this look and feel to areas like tiered seating, bleachers, walkways and even change rooms.

Design your pool area according to your creative ideas: There are no limits to our resilient pool flooring colour design using **REGUPOL** everroll ultimate indoor range. You can integrate logos, markings or lane numbers or specify running directions. Match the colour of your surroundings with the natural tones available or make them stand apart from the natural environment.

### **Rolls**

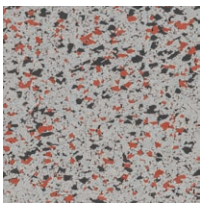

Slip-resistant | robust and resilient

**Our products: REGUPOL everroll savanna (outdoor areas), also available REGUPOL everroll ultimate (indoor areas)**
